

Harvest-Monrovia Water, Sewer and Fire Protection Authority, Inc.

Customer Sewer Agreement

This agreement made and entered into by and between the Harvest-Monrovia Water, Sewer and Fire Protection Authority, Inc., a Public Corporation (Authority) and the undersigned (Customer).

Customer desires treatment of wastewater for domestic, commercial, industrial, agricultural or other uses as approved by Authority, and does agree to be bound by the terms and conditions of this Customer Agreement.

NOW THEREFORE, in consideration of the premises and Agreement herein contained, it is agreed by Customer as follows:

1. Authority agrees to treat wastewater subject to the limitations as provided by the by-laws, Service Rules and Regulations for the occupancy of the property located in Authority's sewer service area.
2. Customer shall have Authority to inspect all connections prior to and after connection to Authority's system.
3. Authority shall make a final determination of any and all connections to Authority's system.
4. Customer shall install and maintain a sewer connection at Customer's own expense, which shall begin at a point designated by Authority.
5. Customer shall pay for such wastewater treatment at such rates, time and place as shall be determined by Authority.
6. Customer shall pay for such service each month even though service may not be used if service is available.
7. A clean out shall be installed at each service to be located at the connection of Authority's lateral connection to the customer service connection.
8. Customer agrees to allow Authority the use of all easements as may be necessary for repair and maintenance of all facilities.
9. Customer shall allow Authority the use of all easements to pump out tanks or clean lines as necessary if part of Authority's system.
10. Customer agrees to install, furnish and maintain any grease traps or filters that may be necessary for sewer service to the property.
11. Commercial users agree to the discharge limits as set forth by Authority for all wastewater discharged into Authority's system.
12. The failure of Customer to pay the charges duly imposed shall result in automatic imposition of the following penalties:
 - A. All bills are due when rendered and become delinquent after the 20th of each month.
 - B. A penalty of 5% will be added to all delinquent bills.
 - C. A service charge will be added to any past due account not paid in full by the date stated on the late notice.
13. It is understood that Authority reserves the right to make or amend the By-Laws or Rules and Regulations of the system from time to time, and Customer agrees to abide by such changes upon notice thereof.
14. The receipt of a non-refundable connection to the sewer system is hereby acknowledged in the amount of \$ _____.
15. If any property belonging to Authority is damaged or destroyed because of neglect or misuse by Customer, Customer will be charged for repairs or replacement and Customer agrees to pay the same.
16. Customer declares that no connections are made to the sewer lateral except that which is from house plumbing. No swimming pools, no gutters from house, no connections from basement pumps, or other connections that are not a part of the ordinary plumbing shall be made to Authority's system. If such connection is made and discovered by Authority, a penalty shall be charged to the Customer. If such penalty is not paid, service will be terminated until such payment and penalty is paid and illegal connections are removed.
17. Customer hereby certifies that the following indicated fixtures will be connected to the proposed building sewer:
 - Kitchen Sinks Lavatories Bathtubs Showers
 - Toilets Dishwashers Garbage Disposals
 - Washing Machines Other
18. Customer further certifies that the maximum number of persons who will ordinarily use the above fixtures is _____.
